

Want To Audition For Wilsonville High School Theatre's Fall Show -- *Legally Blonde*?

Who?

Wilsonville High School students who can sing, act, or dance (even better if you can do all three at the same time).

When & Where?

The second week of school, September 4th-7th in the choir room and auditorium after school.

What?

Legally Blonde is an intense singing and dancing spectacular, so you want to familiarize yourself with the show prior to auditioning. Search on YouTube for the MTV special of *Legally Blonde* on Broadway.

Why?

Because you want to be in the fall musical and you can commit to rehearsals after school from 3:30 – 6:30, even longer rehearsals two weeks prior to opening and *you will not miss any dress rehearsals or performance dates*.

How?

- **Step One: The Vocal Audition**
Prepare 32 bars of a solo song – it should be from a contemporary musical other than *Legally Blonde* – and bring sheet music for the pianist or a karaoke track on your phone.
- **Step Two: The Dance Audition**
Come to dance auditions wearing sneakers and comfortable workout clothes, no preparation is needed, but dance experience is a plus.
- **Step Three: Callbacks**
Selected singers and dancers will be called back for reading auditions.

The cast list will be posted on Friday, September 7th.

Legally Blonde will be performed over two weekends in November 2018 on Thursday, Friday and Saturday nights (November 1, 2, 3, 8, 9, and 10). *You must be available for all performances, dress rehearsals and rehearsals throughout the fall.*

We expect the show to be your first priority, so participation is not recommended for those playing sports or doing other time-consuming after-school activities. Technical positions will also be available and those time-commitments are shorter-term but no less important. If you have questions about auditioning, ask Mr. Katz (katzj@wlwv.k12.or.us). If you are interested in teching, speak to Mr. Fitzgerald (fitzgerj@wlwv.k12.or.us).

New students are always welcome in the WVHS Theatre Department! In 2018-2019, we will have three mainstage shows (one musical and two plays), we will participate in Thespian Regional and State competitions, which will be showcased, and we will mount several one acts, which will also be showcased. If you are interested in participating in the theatre department at Wilsonville High School at any time of the year, you are encouraged to join the Drama Club. Info will be presented at club day orientation, but you can also come to our first Drama Club meeting on Thursday, August 30th during lunch. Everyone is welcome, even those who are new to theater.

Don't Miss The Audition Workshop On Friday, August 31st from 3:30 – 6:30 pm!

Nervous? Then come to our Audition Workshop with Music Director Andrew Bray in the theatre! He has a way of putting students at ease and helping them understand just what is needed to have a solid audition. Same drill as above: wear sneakers and comfortable clothes, bring your audition music, a track if you are using one, and plan to stay for the whole workshop. Come to the workshop even if you have auditioned for shows in the past. If for some reason you cannot make it, you can still audition for the show, however the workshop is strongly recommended.
